

What Is Forest School?

Forest School supports curriculum

- Offers a variety of learning opportunities
- Forest School can be carried out by children of different ages
- Offers opportunities to explore the natural environment
- Inspires imagination and stimulates senses
- Forest School activities can be carried out at home or school
- Children learn in different ways - listening, exploring & visualising
- Develops a respect for nature
- Awareness of outdoor safety
- Forest School sessions can be carried out during all weathers

Forest School helps develop confidence and never leaves anyone feeling left out!

Bright Kids has a designated Forest School Leader, Chelle and a specific area within the garden for the children to explore and develop.
