Ensuring the future is healthier for our kids

The new management team

Thank you for your support over the past two months in our new roles. We have been made to feel very welcome by all parents and staff and are beginning to form good relationships with you all. We appreciate the feedback you give us and are working hard every day to make sure the setting is meeting the needs of our families. We welcome opportunities to have discussions with you, so if there is anything on your mind, feel free to pop in the office or give us a call.

PARENTS EVENING

We invite you to our Summer Hawaiian Evening on Thursday 14th July 6:00pm-8:00pm. This is a lovely opportunity for you to have a discussion with your child's key person on their progress and identify next steps in their development. You can spend some time looking at your child's work and photographs of their experiences at nursery. It's also a chance to visit your child's next room and meet the staff as well as chat to other parents. We look forward to seeing you. We have some delicious food and ice lollies to purchase for the children. We will also have our bouncy castle for the children, as part of our sponsored bounce to raise money for our garden endeavours.

STAFF NEWS

Congratulations to Sharon in The Baby Suite who has completed her Early Years Foundation Degree, Go Girl!

Jemma is our new apprentice and is based in the School Room. Bec Forbes and Helen Cherry are our new bank staff that have been included in our staff team. We welcome them to the setting.

Kerrie, Pre-school Room Leader, has given birth to her first baby boy Callum. We wish them well. Gina our Club Co-ordinator is going on maternity leave on the 26th August — with our best wishes for her first baby.

THE BABY SUITE

Hello from everyone in the Baby Suite. We have been very busy with our trip to the Nature Centre. The children enjoyed a trip on the bus and then onto exploring all the wonderful animals within the centre. The day was bright and sunny, with sun cream applied they were ready for their adventurous day. Running from animals to animals and learning about their habitat and food was very exciting for those that attended. A picnic lunch in the park to finish the day and a bus trip back to nursery. Even the parents enjoyed a day out with the children. We will be planning another outing very soon ...so watch this space..

THE TODDLER ZONE

Hello from Bright n' Actives. We would like to welcome all of our new children and their families to Bright Kids. Our focus through the coming months is holidays. We will be discussing about where we like to go and what we like to see. How we get to our holidays and who we see when we get there. If you have any props that would help to make this an exciting learning opportunity for the children we would appreciate it. We have made a few changes in the layout of the room to make the environment more stimulating for the children as well as improving access to resources and activities. By doing so we hope to always be meeting the needs of our age group.

PRE-SCHOOL

Welcome to all our new children and their families to our room. We look forward to sharing some fun and exciting adventures together. Graduation is on the way and we look forward to all the children preparing for the big day on the 20th July. Mark this date in your diary so that you can help us celebrate this momentous occasion. We look forward to chatting with parents on the children's big move to reception. Our focus through the coming months is the outdoors. We are planting all types of seeds and learning about the cycle of growth. Talk to your child about the changes they are seeing in our garden and how things grow as this will support their interests and development.

Training Bulletin

A lot of time, effort and commitment is put in by the whole staff team to ensure the quality of the setting is always high.

- Sylvia is continuing to update her knowledge as the nursery's SENCO. If you would like any information or advice about Special Educational Needs then please feel free to speak to Sylvia.
- Janet and Gina are due to attend training for the Delivery of the EYFS in the out of school club on the 15th July and both are continuing to update their skills and knowledge.
- Jodie has attended a seminar on Safeguarding Children and has shared updated information with the whole staff team. If you have any questions please don't hesitate to ask Jodie on any matters.

Well Done Ladies.

Brighter by Design

Our range of children's clothing is available all year round and includes summer white t-shirts ranging from 6-12 months, 12-18 months and 18-24 months (£6.00) and moving up to 3-4 year olds (£6.50). Cardigans (£10.50) and Sweatshirts (£9.00) and Polo Shirts (£8.00) are also available to order for 3+ years. We also have baseball caps at £4.75 and Pump Bags at £5.50. All items have the logo clearly visible. These items and more are available to order using our Products & Services leaflet found in the porch area, or ask a staff member for one.

Bright Minds CATALOGUES

These catalogues come around on a regular basis and help with our fundraising.

PARENT REFERRALS

Please don't forget that we have our Parent referral form.. Recommend us to a friend and make valuable savings on your own child care costs....recommend 2 children for a permanent discount...Ask the management team for more information ...

SUITABLE CLOTHING

With the summer hot weather coming could we please ask that all children have a summer hat to wear when they are playing in the garden area. Could parents also include a spare set of clothes just in case your child has an accident or water play has been an activity for the day.

SPONSORED BOUNCE WEEK

The week of the 11th July we are having a sponsored bounce. All children will be involved in the event and will be given sponsor lists. Could we please try to raise enough money to help us improve our garden area with some new resources.

Miscellaneous

Please can we remind all parents to ensure that their pushchairs are closed when stored in the push chair area to enable space for all push chairs.

If your child is on antibiotics please ensure they have been taking them for at least 24 hours before returning back to nursery.

During the summer months, please ensure your child has a labeled sun hat and sun cream at nursery. We do provide in house sun cream for a charge of £1.00 per year.

There are limited spaces available in the nursery, so if you or anyone you know wants to register their child please do so as soon as possible. Please ask the Management Team for more detail

Just a little Health & Safety reminder. To maintain security and the safety of the children could all parents/carers avoid answering the front door and ensure the door is closed behind you..
